Understanding the vast aspects of the team page in the league RSO site.

# Roster-Part I

The screenshot displays the 'Reality Sports ONLINE' interface. The top navigation bar includes links for LEAGUE, TEAM, LIVE SCORING, STANDINGS, PLAYERS, and MESSAGES. Below this, a sub-menu for the 'TEAM' section contains 'Roster', 'Trades', 'GM Dashboard', and 'Edit Team Settings'. The main heading is 'SET LINEUP'. A callout box on the left explains that selecting the 'Lineup' tab allows for roster adjustments. Another callout box on the right states that the team selector enables viewing other teams' Lineup, Contracts, and Projections. The main content area shows a team profile for 'Fields in Soldier Field' with a helmet icon. Below the team name are three tabs: 'Lineup' (selected), 'Contracts', and 'Projections'. A table displays team statistics, including Owner (TheKilted1), Record (0-7-0), Total Points (592), Waiver (1), Matchup (MOJO), Previous (McGibblets), Team Salary (\$53,263,055), and Cap Space (\$154,936,945). A dropdown menu labeled 'Fields in Soldier' is visible in the top right corner of the team profile section.
