Geno Smith, QB (SEA)

Player News Friday, November 04, 2022 7:30 AM

Seattle Seahawks QB Geno Smith is seventh in fantasy points at the position after eight games played. Smith is 181-for-249 (72.7 percent) for 1,924 yards, 13 touchdowns and three interceptions.

Analysis

Smith has also added 158 yards and one touchdown on the ground. That could improve as the 32-year-old's confidence blossoms as he has at least 25 rushing yards in four of five games. He may fall back to the pack a little bit, but he's a great interchangeable starter in fantasy depending on the matchup.

Kenneth Walker III, RB (SEA)

Player News Friday, November 04, 2022 7:23 AM

Seattle Seahawks RB Kenneth Walker III hasn't been fully cut loose yet, according to head coach Pete Carroll. 'I don't really feel like we cut him loose yet,' Carroll said. 'I think he has big games ahead. We didn't run the ball well last week. He made a couple of terrific plays, but I think we are going to see even more than we have seen already, and not just in the run game, but the pass game too.'

Analysis

The passing game uptick would be welcomed as he has just nine catches for 28 yards on the year. He looks like an eventual RB1 in fantasy, and that enhancement would be the next step. He's a rock-solid RB2.
